## **DETAILED ACTION**

### **Reason for allowance**

1. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests a process for manufacturing a trench field effect transistor comprising the steps of: etching a second trench through the source region and into the body region; and filling the second trench with conductive material for making contact with both the source region and the body region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
